### Chapter 1 by Auminix

My name is Opal.

I'm in a group of 7 friends, not including me.

Their names were Sapphire, Emerald, Ruby, Topaz, Diamond, Jade, and Pedriot. For all I know, they were the best friends in the world.

One day, we went putt-putt golfing.

"Hole in one!" Ruby shouted as she jumped up and down.

We all ran in and hugged her.

Soon after, we got to Hole 18. Topaz went first. But, when she got a hole in one, she screamed, since the floor below her opened and she fell in. Pedriot jumped in right before the hole closed.

"What do we do?" Sapphire cried. "We're stuck up here!"

"Not just yet!" Diamond caught. (She was the brains of the group) She got a hole-in-one and fell down. All the others, except me, jumped in.

If I didn't make a hole-in-one, I would get sucked into a void where I would never be able to get out of again.

I made a shot, and I got a

miss. I was sucked into the void!

At this, I panicked. But below me, I found a piece of glass. 7 of my friends peered up through it. Aha! I still had the knife Diamond gave me. It could cut through glass.

I cut a hole big enough for me, and sure enough, Pedriot and Emerald caught me as I fell.

"I dunno where we are, but it sure is creepy." Emerald said. She touched a wall, and jelly fell to the ground.

"What the?" She said.

The glob of goo started inching towards her until it grew and grew and finally ate her. We could see her inside. It swallowed Pedriot, then Sapphire, then Diamond, Ruby, Topaz, then Jade, and all that was left was me.
